5 Questions with Laura Nalbandian

UAC Conference Co-ordinator

What is your guilty pleasure?

I have so many. Lurid novels, certain junk foods, junk TV!

Ice cream or broccoli?

Ice cream! No question. Vanilla or Peanut Butter with dark chocolate melted over top.

What is your biggest pet peeve?

People who won't stand up and own their power.
People who won't be responsible for themselves.

What is the last thing that made you smile?

My three-year-old grandson Adam. I swear to God he is the funniest human on the planet. He already has true comedic timing and his facial expressions . . . don't get me started.

What is your favorite place?

Anywhere the people I love are at.

Friday, May 25

Central Banks and the Future of the Dollar and Euro

Come join Karen Hamaker-Zondag, Georgia Stathis, and Raymond Merriman for a fascinating discussion on the Saturn/Pluto economic cycle and the charts of the Federal Reserve Board, USA, the European Union, and European Central Bank (ECB) to see if there is a theme about the future of the U.S. Dollar and the Euro Currency. What about China and its Central Bank? A 'Great World Reset' is beginning. You don't want to miss this!
